Vision

Building the best and trusted continuous supply chain system

Mission

Implementing international standards in our company

Goal

Establish the company as a trusted and reliable supplier of high-quality products

We Do Our Best To

Present Satisfaction

ZONECOCO is a leading supplier of agricultural and commodity products based in Indonesia. Our primary goal is to showcase the superior quality of Indonesia's agricultural and commodity offerings to the global community. We firmly believe that Indonesia is renowned for producing the best agricultural and commodity products in terms of quality.

At ZONECOCO, we are dedicated to providing these exceptional products at highly competitive prices. Our name, ZONECOCO, is derived from "Zona Commodity Company," reflecting our focus on delivering a wide range of commodities to our customers.

Maintaining a strong presence in the international market for agricultural and commodity products is of utmost importance to us. We strive to uphold high standards of quality across our entire product range, ensuring that our customers receive nothing but the best.

With a diverse selection of agricultural and commodity products, ZONECOCO caters to the varying needs of customers worldwide. Our extensive network enables efficient sourcing and distribution, guaranteeing timely delivery and customer satisfaction.

When choosing ZONECOCO, customers can trust in the reliability and excellence of Indonesian agricultural and commodity products. We take pride in our commitment to quality, and we are dedicated to serving our customers with the utmost professionalism and integrity.

Our

Core Value

Integrity

Integrity means telling the truth, keeping our word and treating others with fairness and respect. It is demonstrated through honest relationships and unquestioned commitment to ethical and legal behavior. Integrity is one of our most cherished assets. It must not be compromised.

Highest Standards

The quality of being outstanding or extremely good. excellence. distinction, greatness. superiority. We provide good products that we sell, deliver value including good services to our customers, and delivering good financial results that meet investor expectations.

Satisfaction

Satisfaction is important where we will continue to provide the best to our customers and investors all the time. Our opportunity to serve should be viewed as a privilege that is not to be taken for granted.

Innovation

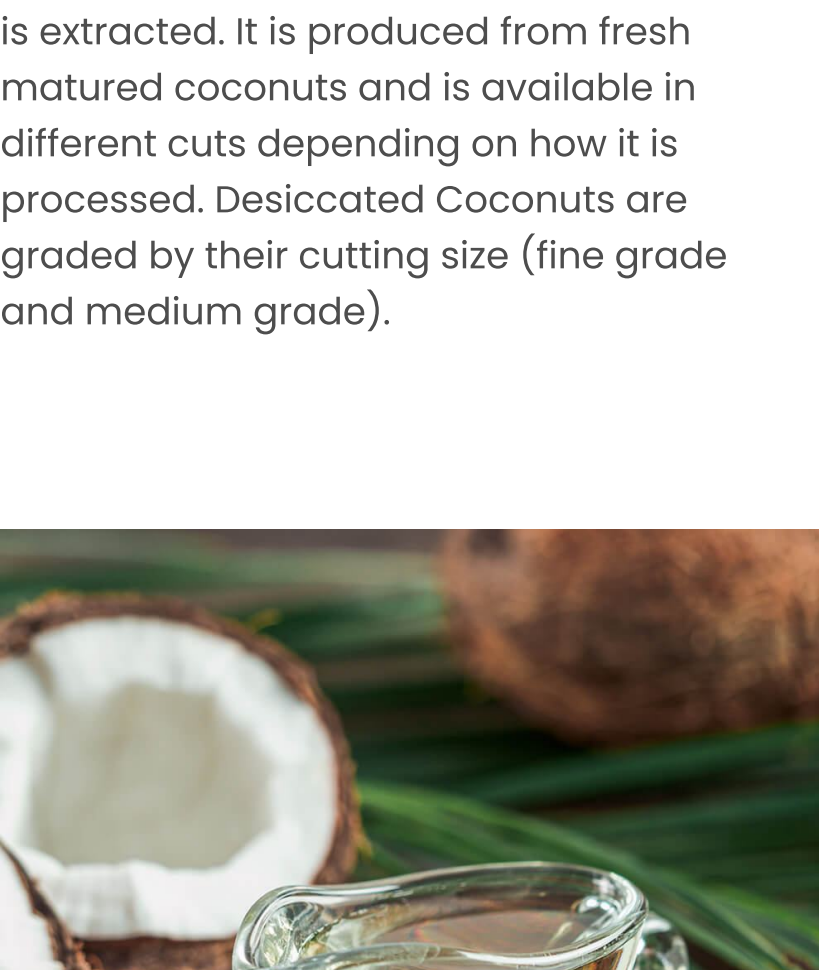

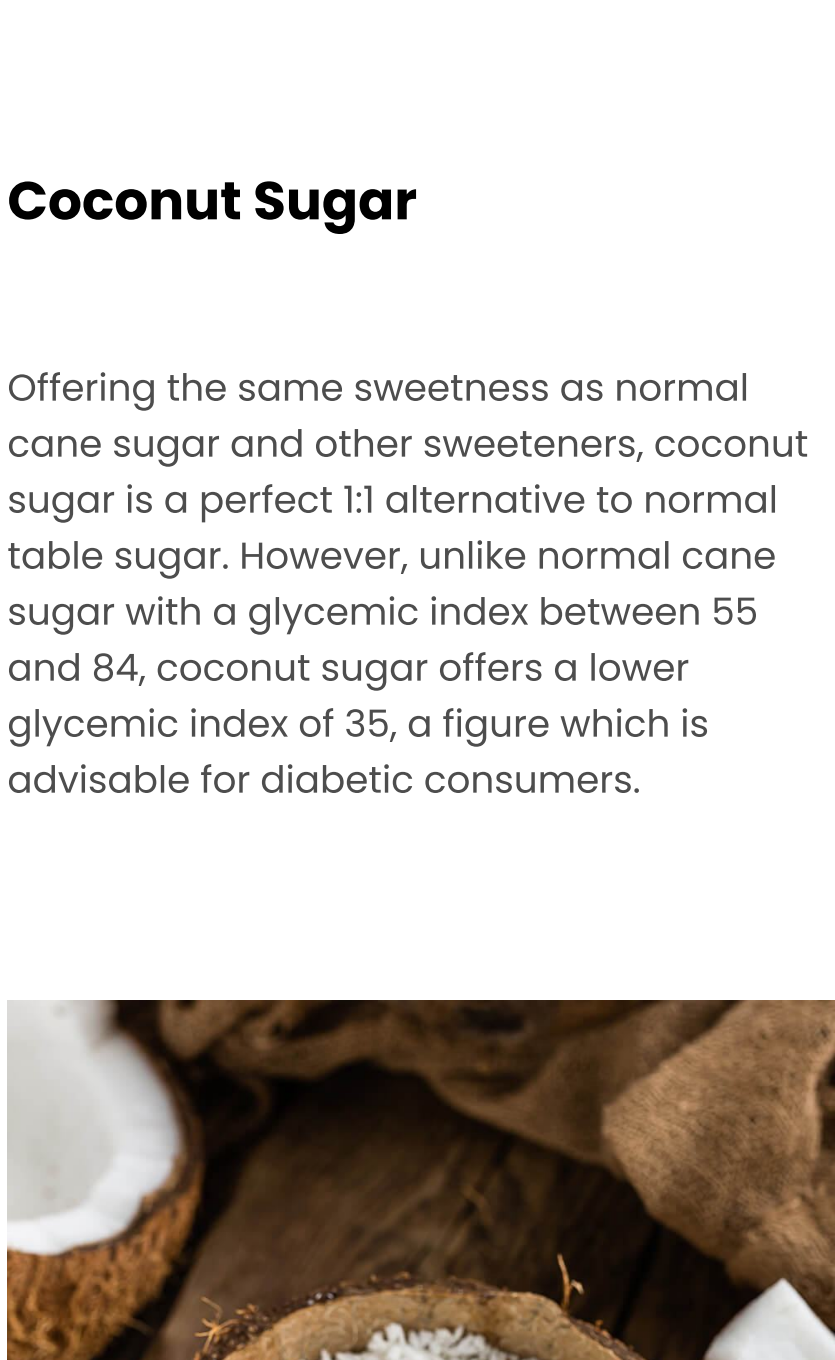

Innovation means inventing, designing, and developing products and services that have high appeal in the marketplace and strengthen customer preference for the zonecoco project.

What We Have?

Coconut Products

Coconut Briquette Charcoal

Coconut Charcoal Briquette is compressed charcoal with coconut shell as the raw material. One of the main functions of a Coconut Charcoal Briquette is for shisha or hookah burner. Moreover, people also use the lower grade for barbecue purposes.

Coconut Sugar

Offering the same sweetness as normal cane sugar and other sweeteners, coconut sugar is a perfect 1:1 alternative to normal table sugar. However, unlike normal cane sugar with a glycemic index between 55 and 84, coconut sugar offers a lower glycemic index of 35, a figure which is advisable for diabetic consumers.

Desiccated Coconut

Desiccated coconut is the shredded white meat of the coconut from which moisture is extracted. It is produced from fresh matured coconuts and is available in different cuts depending on how it is processed. Desiccated Coconuts are graded by their cutting size (fine grade and medium grade).

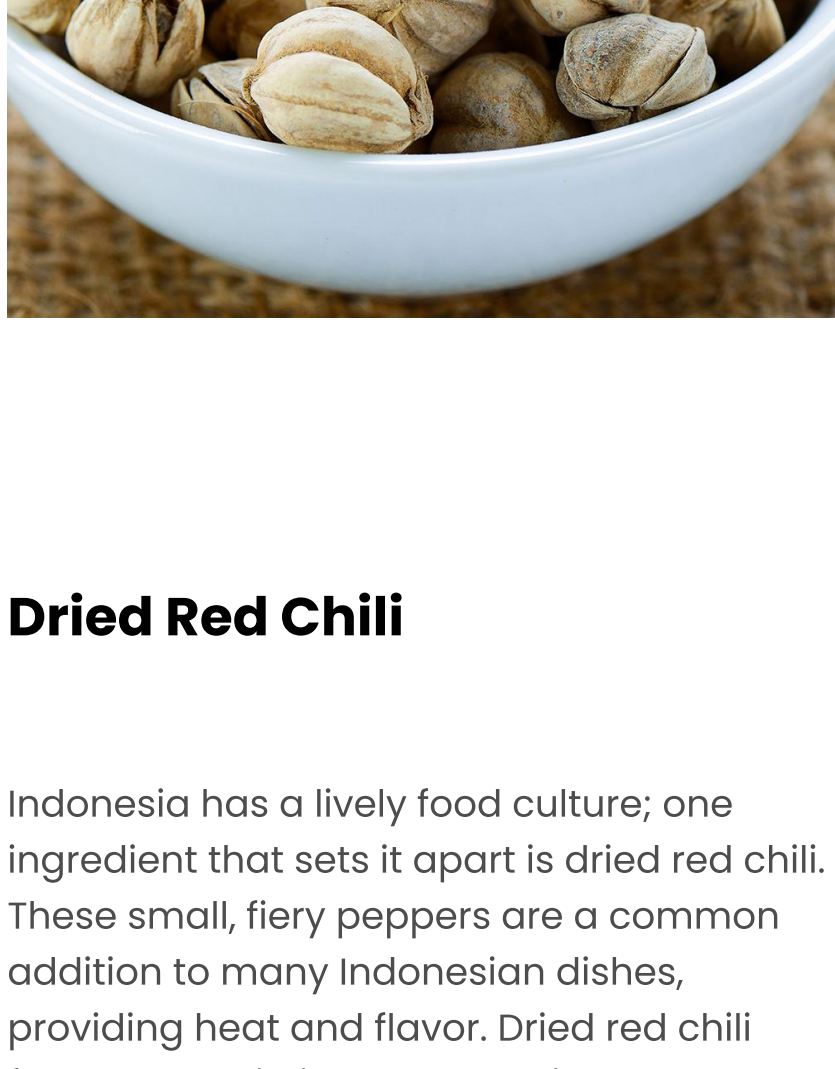

Virgin Coconut Oil

The process adopted by ZONECOCO is 100% raw organic Cold Pressed & Centrifugal method unrefined virgin coconut oil (VCO) without the application of heat in any stage of the process.

RBD Coconut Oil

RBD Coconut Oil is a clear white liquid and will turn semi-solid at room temperature. In order for Crude Coconut Oil to be suitable for consumption, it must be purified, bleached, and deodorized (RBD).

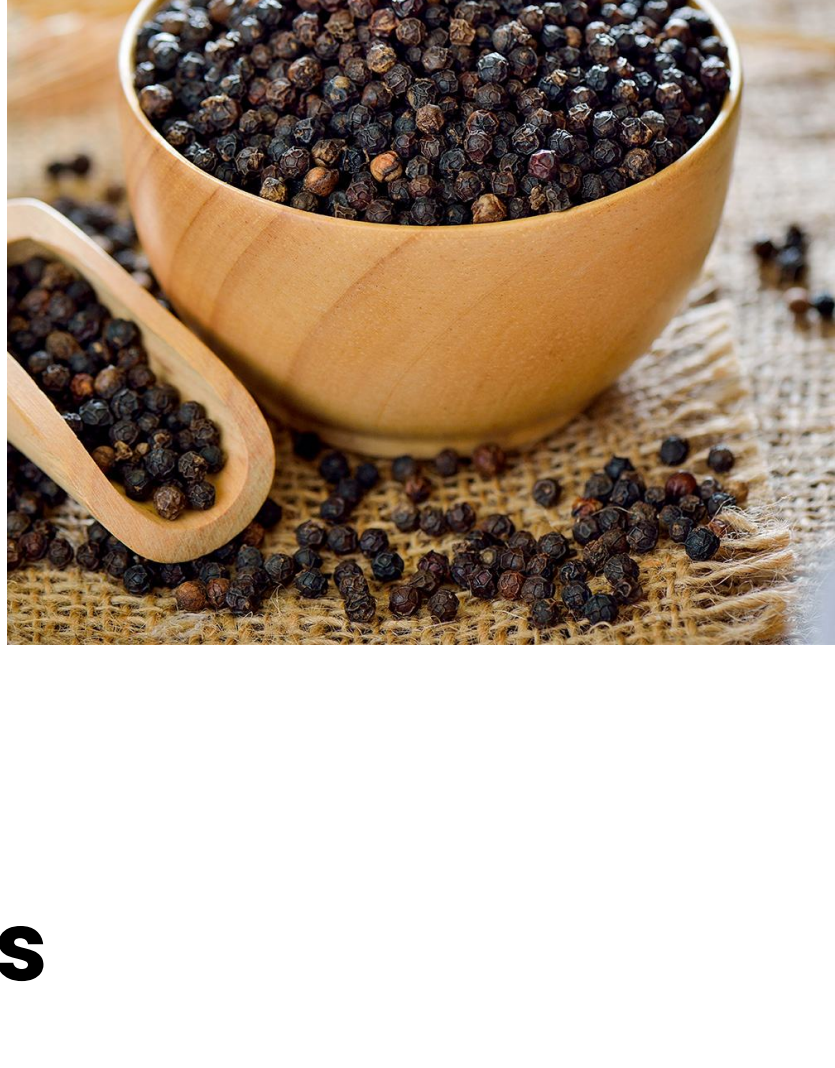

What We Have?

Spices Products

Cardamom

Indonesia is known for producing high-quality cardamom, particularly the variety called "Java cardamom" or "Javanese cardamom." It is highly regarded for its rich aroma and strong flavor. Java cardamom is grown primarily in Java, which has favorable climate and soil conditions for its cultivation.

Dried Red Chili

Indonesia has a lively food culture; one ingredient that sets it apart is dried red chili. These small, fiery peppers are a common addition to many Indonesian dishes, providing heat and flavor. Dried red chili from Indonesia is loved by spice lovers worldwide.

Black Pepper

Experience the finest black pepper that Indonesia has to offer with our Premium Black Pepper collection. Grown amidst the lush landscapes and enriched by the tropical climate of Indonesia, our black pepper boasts an unparalleled flavor profile in richness and depth.

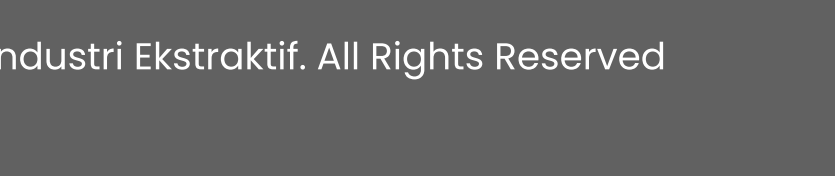

What We Have?

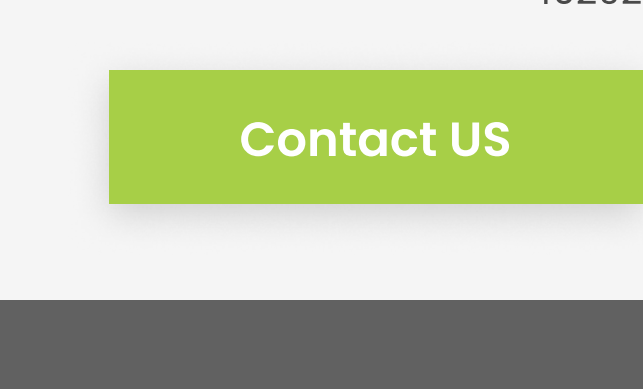

Vegetables Products

Potatoes

Grown in the fertile soils and favorable climate of Indonesia, these premium potatoes are a testament to the country's commitment to delivering top-notch produce. Whether you're a professional chef or a home cook, our Indonesian potatoes will add a burst of flavor, texture, and nutrition to your dishes.
